D.O. dated 2nd September 1909 from Mr.J.G.Hamilton, Coffee Planter, Chundrapore Estate, Mudigere Taluk Kadur District to Colonel Smyth.

I have left yours of the 14th August unanswered until I could consult the other subscribers to the "Dresser Fund" I have now heard enough to know that we can raise the money you require though with some difficulty.

There are at present five of us

J.A.Harris. Chickanhully & Hossully Estates.P.O.Chikkanahalli Belur.

J.Aird. Chetanhalli & Woodsoosie Estates--------Ditto---------

i)We are prepared to subscribe the Rs.70/- per mensem and find a free (ii) house for a Hospital Assistant 3rd Class of course ly on condition that he visits all the Estates in such order as may be directed by the Manager of the Fund without any further payment or allowance, it being understood that(iii) anyone sending for him out of turn or during his leisure time must supply him with a conveyance suitable to the season. The intention is that he shall take a tour round the Estates, and then have one day off for rest and to enable him to make up any arrears in his Diaries &c. The places are so grouped that he should be able to get round in four days or perhaps in the monsoon we might allow him five, or six in real rain. (iv) The Dispensary to be a Government one supplied with the usual outfit of medicines and instruments, not an unreasonable request we hope as he would have to deal with a population of about 1500 coolies. V. He would I suppose remain under Government as regards Pay and Discipline, but otherwise would be under the orders of the Manager.

It is our hope that you will endeavour to help us to get the best class of man available as three of us are married men and one other hopes to be so soon.

3

vi. We should object to his going out for private practice even in his leisure time, but could not do so to his receiving patients at his house at such time.

vii. His servants will not be found for him but assistance will be given if necessary, it is not found advisable to actually tell off coolies &c for such duties they do not recognize the man as their master and there is generally friction.

I ~~promise~~ presume that our contribution would be paid in monthly to a Treasury.

My dear Mr Ananda Rau

Refering to our private conversation the other day about a Dresser for certain Estates round here, I should like to have early news because if we are to get a house ready it should be done soon. Artizans cannot be obtained here after March, nearly all of them come from S Canara & will not work in hot weather.

In the accompanying file, orders have been passed regarding the deputation of an Hospital Asstt of 3rd class ~~and Dr~~ to visit by turns the estates of certain planters on the condition that the planters will ~~bear~~ pay his salary and a contribution for leave and pension under the rules, the measure being tentative for 2 years.

From the Hon'ble Mr Hamilton's letter to Col. Smyth it seem that the planters are prepared to pay Rs 70 a month for the following purpose detailed in Col. Smyth's note

Pay of Hospital Asstt	Rs 25
Maker allowance	Rs 20
Travelling allowance	Rs 15
Dispensary servants	Rs 10

Orders are solicited as to how these charges have to be met

The Planters' idea seems to be that the ~~Staff of the~~ Provincial Hospital should ~~have~~ be treated as a Govt Institution as they provide to pay their contribution monthly to a treasury If this is accepted a Scale of establishment has to be framed on the Govt order. and Orders are solicited as to the exact Scale of the charges. D.O. dated 7th April 1910 from J.G.Hamilton Esq to Colonel Smyth.

My dear Col Smyth.

I am sending you a line to remind you of our conversation the other day about a Dresser for a large group of ----- Estates round here and the want of accomodation and attendance for out-patients in Mudigere. As regards the former we are ready with the money and the Dewan told me that if there was no man available he could import on you are ready to supply the drugs &c, so where is the hitch. We are all getting very anxious about it. Now that there is a change in the management of Chutanhalli we are all except one married men, so I think you owe us a good man for ourselves and our 1500 or more coolies.

As regards the quarters &c in Mudigere, the trouble seems to be that three bodies have to agree and also provide the funds - Your Department, The District Board and the Municipality. Now it is hopeless to expect all three to be in funds at once, two of them anyhow seem to live on the verge of bankruptcy, if anything is to be done, the only chance is for you to get it done and recover their respective shares from the other parties by force.

Although this is a private letter I hope you will show it to the Dewan and try to help us somehow.

Rs 70 per mensem and a house.
